

THE RCS PARENT ADVISORY COMMITTEE PRESENTS:

SIBSHOPS

Sibshops are **offered for the 7-14 year old siblings** of children who receive Special Education services (IEPs) through Rochester Community Schools.

Sibshops are offered at no cost to families and each unique session is run by a certified facilitator and a team of individuals who have a professional or personal **understanding of the impact a child's support needs can have on siblings.**

Each class **"Sibs" of children with disabilities will have fun, play games, and talk with other Sibs who "get it"** about the good (and sometimes not so good) parts of having a sibling with support needs. Sibs will also learn more about disabilities and disability-related services.
